## Objective

---

Innovative and results-driven aspiring software engineer with a passion for leveraging technology to solve complex problems. Committed to continuous learning and staying ahead of industry trends. Seeking a challenging internship where I can apply my technical skills, contribute to impactful projects, and gain hands-on experience in real-world applications.

## Education

---

- **BSc (Hons) in Software Engineering (Reading - 2024)**  
SLIIT City Uni
- **Higher National Diploma in Computer Science and Software engineering**  
SLIIT City Uni affiliated with University Bedfordshire

## Technical Skills

---

- Languages – JavaScript , Node.js, JSX, Python, Java
- Front End – ReactJS, Vue.js, Next.js
- Back End – Node.js, Express.js
- Styling Framework – CSS, SCSS, Bootstrap, Tailwind CSS
- Database – MongoDB, MySQL , PostgreSQL
- IDEs and Tools – Visual Studio Code , NetBeans, Dreamweaver
- Version Control – GitHub

## Projects

---

### Banana quiz Game

- Technology: Front End (React), Back End (Firebase), Database (Firebase).
- Designed and implemented a quiz game by fetching API.
- Developed functionalities for real-time scoreboard, leaderboard and user authentication

### **Restaurant Table Reservation System (MERN Stack)**

- Role: Developer, Technology: Front End (React), Back End (Node.js + Express.js), Database (MongoDB).
- Designed and implemented a full-featured Restaurant Table Reservation System.
- Developed functionalities for real-time table booking.
- Implemented live analysis for restaurant owners to track reservation trends.  
Developed features for restaurant updates, allowing seamless communication with customers.

### **PlayMe Futsal Booking System (HTML, PHP)**

- Role: Backend Developer, Technology: Front End (HTML, CSS), Back End (PHP, JavaScript), Database (MySQL).
- Designed and implemented a Futsal Court Booking System with intuitive functionalities.
- Created backend features for adding, updating, and managing futsal bookings.
- Developed booking reports and customer insights, including annual customer reports and monthly player updates.

## **Skills**

---

- Communication Skills - English, Sinhala and Tamil
- A good & supportive team player Ability to work
- under pressure Bringing the innovative ideas
- Adaptable

## **Referees**
